FUNCTION:

Bermuda National Gallery (BNG) is first and foremost an art museum. Exhibition set-up will vary from time to time, and as such will dictate the types of functions that can be held in the Gallery. Clients are advised to visit BNG prior to each event to ensure that the current layout will suit the type of event planned. Artwork and lighting can never be removed, repositioned or relocated. Permitted decorations are limited to those placed on tables and/or freestanding displays or signs. Directional signage outside the Gallery, if required, is the responsibility of the client. **No flames of any kind are permitted in the Gallery, including sternos, candles, incense, sparklers, etc.** BNG reserves the right to cancel an event if it poses a risk to the artwork and/or the premises.

Items to be collected should be left in the main hallway of City Hall. BNG is not responsible for any items left on the premises.

CATERING:

The client must supply all refreshments and supplies, including glassware, tablecloths, napkins, garbage bags, etc. **Pending availability**, the caterer may use the kitchen on the ground floor of City Hall. The client must review their proposed menu with a Gallery representative, as certain foods are not allowed in the Gallery. BNG reserves the right to request food stations be set up outside the main Gallery doors. Food and beverages may be consumed in the main Gallery space only; **absolutely no food or beverages are permitted in The Watlington or The Ondaatje Rooms**. All food, drink and garbage must be removed immediately following the event.

As **the protection of our Artwork is our primary concern** and requires considerations beyond those which are typical for caterers, the client must notify us of choice of caterer so that we can ensure the needs of the Gallery are met and do not affect the event. BNG reserves the right to refuse caterers.

BNG prohibits cooking or the use of flames of any kind in the Gallery, including sternos and candles.
